Until now, we have not offered the course, this is due to no exams being able to sit during the COVID-19 outbreak. While we have not yet been giving the go ahead to conduct the exams, you can start to learn the English elements of this course which is 100% online via the BRITethink Academy Website.

English Reading and Writing is online and we can start you on this English course from tomorrow. The communication and speaking element of the course will be conducted via telephone communication with a member of the BRITethink Academy teaching team.

*When exams are allowed to start up again, you can start them. They are assessed as follows:*

- \* English Writing - 1 hour, 20 mins - Computer based
- \* Speaking - This is an exam with a tutor (Confirmation on how this will be sat is TBC)

### Important

As with the level 3 in management and level 2 in work skills, the English functional skills course is free; this supports your application to higher education. Please note, you will still need to complete the level 2 and 3 courses.

We still don't have any information about when exams are able to start; however, as soon as they are allowed, we will be in touch.

You can choose to complete English functional skills first, or you can complete it at the same time as the remaining courses, choosing to "dip in and out"
